Voting information is on the Member Services Site.

Did you attend ISMA10 in Charlotte?

Don't forget to apply for your PDUs from PMI.

ISMA11 in Sao Paulo, Brazil

The eleventh edition of the IFPUG ISMA Conference will provide a forum for practitioners and researchers to discuss the most recent advances in planning and sustaining measurement programs from both practical and theoretical perspectives. We invite professionals responsible for, involved in, or interested in software measurement to share innovative ideas, experiences, and concerns within this scope.

SPEAKERS

Dácil Castelo, LEDAmc

Joe Schofield, Sandia National Laboratories (ret.) - via WebEx

Kriste Lawrence, HP

Luigi Buglione, Engineering Ingegneria Informatica SpA

Márcio Silveira, HP
