CSP Exam Naples, Italy December 15

A CSP Exam is coming up in Naples, Italy on December 15. **The last day to register is Wednesday, December 2.** Visit the [IFPUG Member Services Area](#) for more information and to register.

View ISMA11 Presentations on the IFPUG Website!

IFPUG is pleased to announce that ISMA11 presentation slides are available to IFPUG members for viewing from the Knowledge Base on the IFPUG website. Navigate to the IFPUG [Member Services area](#), log in, and follow the link to the Knowledge Base. Once there, search for Keyword,

ISMA11. This will bring up a list, with links to the presentations.

The presentations can also be reached from the [BFPUG website](#).

A New Video Is Available!

IFPUG is pleased to announce that a new video, on a chapter in the newest IFPUG Book, is now available! The new video is by **Roberto Meli** on "Software measurement in Procurement Contracts". What to know more about that? Click [here](#) for viewing the new free webinar. To purchase the IFPUG book, and read Roberto's full chapter (**#29**), [order it here](#).

There is Still Time to Submit an Article for the January 2016 Edition of MetricViews!

The Editors of *MetricViews*, IFPUG's semi-annual publication, are now accepting articles for the January, 2016 edition. We are seeking articles of between 1,000 and 3,000 words, with or without graphics, on a subject of continuing interest to Function Point Analysis and SNAP practitioners. Articles on measurement of Emerging Technologies will be especially appreciated, as will articles following a theme of your choice.

The deadline for submission has been extended to **Monday, December 7**. Please submit your first draft to cmc@ifpug.org by that date.
