

As the Chair of the 2013 IFPUG Nominating Committee, it is an honor to present to you this year's slate of candidates for the four (4) open positions on the IFPUG Board of Directors. Following you will find an official ballot and biographies for each of the candidates.

Please return your ballot to the IFPUG office in one of four ways:

1. You may submit your vote online through the Members' Services Area accessed at the IFPUG website at www.ifpug.org.
2. You may attach it to an email and send it to cholden@cmasolutions.com.
3. You may send it via fax to (1) 609-799-7032. DO NOT put your name on the ballot, but include it in a separate cover page. Any identification on the top of the page will be removed by IFPUG staff.
4. You may mail it to:
IFPUG Elections
191 Clarksville Rd.
Princeton Junction, NJ 08550
U.S.A.

PLEASE NOTE: IFPUG staff will keep all responses noting who has returned ballots, although they will not acknowledge receipt. When counted, ballots will be separated from names so that your vote will be totally confidential. If the IFPUG office receives two ballots and it is indicated they are from the same person using the same member number, both ballots will be declared invalid. Ballots must be received at IFPUG Headquarters by September 24, 2013 in order to be counted.

Thank you for your interest and participation in this important IFPUG election. Results will be announced at the IFPUG Annual Meeting which will be held in conjunction with the IFPUG Annual Meeting in Rio de Janeiro, Brazil on October 2, 2013. For further information, registration forms and details about the IFPUG Annual Conference please visit the IFPUG web site at www.ifpug.org.

THANK YOU for your membership and participation in IFPUG.

Regards,

Bruce Rogora
Chair, IFPUG 2013 Nominating Committee
IFPUG Immediate Past President

Cc: Nominating Committee:
